

HAND TRUCK HT-140MM-VPP

The Hand trolley with load capacity of 140 kg is a specialized product made according to the requirements of a furniture manufacturer. The extended construction of the trolley is designed for transport of upholstered furniture. The product is suitable for use in production and warehouse facilities, as well as in urban environments. The lightweight construction of the trolley with low dead weight makes it suitable for convenient storage, loading and unloading from vehicles. The wheels are with diameter of 200 mm.
